FENCES	No		
TREES/FOLIAGE	No		
DITCH	No		

GRASS	No		
LITTER/BINS	No		
OTHER (VANDALISM ETC)	No		

GENERAL COMMENTS

Goal posts reported as wobbly via weekly check, but it appears to be normal as posts are anchored to allow slight movement. This could be checked by a professional however, as weekly/monthly checkers are not experts, but they are unlikely to fall forward due to their weight.
